

# Sharon Killion

is a multi-award winning **Lead Generation and Sales Expert** who mentors women entrepreneurs & sales professionals to **increase sales so they get more clients, faster, and experience Brilliant Success in their business NOW!** Originally from Dallas, Texas, Sharon now lives on the South Coast of South Africa and speaks throughout the country as well as in the US.

**Sharon is known for coming out of major depression from having zero sales to selling over 50 flats/condos in less than 10 months!** She did this being new to South Africa, new to Real Estate and not having a network of clients built up when she started.

**An entrepreneur at heart,** Sharon's journey to become a Lead Generation & Sales Mentor to phenomenal women entrepreneurs began in her previous life as a top sales professional, first for **USA TODAY** and then as a top investment advisor for a broker-dealer in the financial services industry.

At **USA TODAY** Sharon was fortunate to work with industry legends such as Cathie Black, President of Hearst Magazines; Tom Curley, CEO of the Associated Press; Carolyn Bivens, former Commissioner of the Ladies Professional Golf Association and Jackie Kelley, President of Universal McCann North America.

**Sharon has built several thriving businesses from scratch and broken sales record after sales record by keeping her pipeline FULL of eager, qualified prospective clients and buyers.** For Sharon it's an honour to mentor passionate women entrepreneurs on the lead generating tools and business success mindset they need to quickly and easily gain more clients, make more money and share their brilliance.

"Not Long After Working With Sharon **I Increased My Fees And The Length Of My Clients' Contracts.** Sharon is a **no nonsense, direct mentor and coach** who is fantastic at getting to the issue, helping me see the issue and then helping me take action quickly and decisively for my greatest good so I grow my business fast"
